

2024 'Silvaspoons' Rosé

Vineyard Notes:

Located outside the small Lodi town of Galt. Redding gravelly clay loam soils. 40 degree temperature swings help balance fruit with acidity. 100% Grenache. Rainy winter and normal spring. Mild start to summer with a very hot July leading to an earlier than usual harvest. Harvested 1.5 tons.

Winemaker's Tasting Notes:

Stainless steel fermented and aged. Lighter shade of watermelon in color. Ripe nose of papaya, guava & wild strawberry. Background aromas of rose petal and green apple Jolly Rancher. Ripe, delicious flavors of wild strawberry, Mandarin orange and honeydew melon.

Production:

90 Cases

Alcohol:

14.2%

Date Harvested:

August 19th, 2024
